

1. EXHIBITION-COMPETITION OF ARCHITECTURAL PROJECTS AND BUILT WORKS

Sections: The topics of the sections are very broad and some projects can fit in more than one category.

- 1) Architectural Structures of the Future - for example: large scale projects using new materials and technologies - towers, stadiums, skyscrapers; high tech architecture; engineering design projects; etc.
- 2) Innovations and Traditional Architecture - for example: modern architecture or traditional style architecture of all types - residential, public, sports, religious; interior design; etc.
- 3) Architectural Identity - for example: sustainably creative or culturally engaging projects; symbolic buildings; etc.
- 4) Architecture and Ecology - for example: projects in which are used eco materials; or projects aimed to receive Passive House certificates or LEED certificates; projects using local materials; etc.
- 5) Sustainable Cities - for example: urban design projects; landscape architecture projects; urban furniture projects; etc.

2. EXHIBITION-COMPETITION OF STUDENTS' PROJECTS
